# Størst

Landmanden dyrker forskellige afgrøder (planter) på marken. Her ser du nogle af afgrøderne. Sæt en ring om den største i rækken.

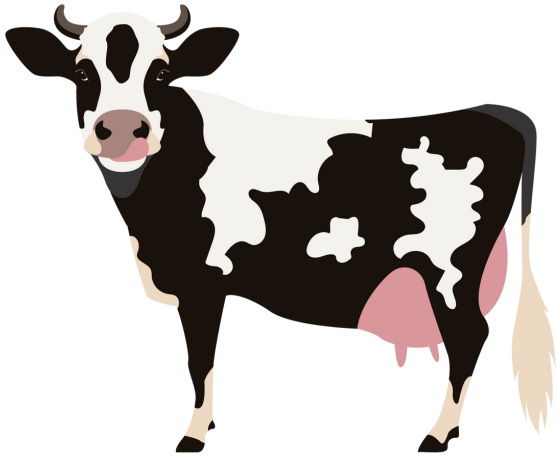

# Find den rigtige maskine

Landmanden har en masse maskiner til at hjælpe sig i marken. Men hvad bruger han dem til?  
Sæt en streg mellem maskinen og det den passer sammen med.

# 1, 2 bogstaver og så er vi i gang

Følg prikkerne indtil ordet kommer frem.

Hindbær

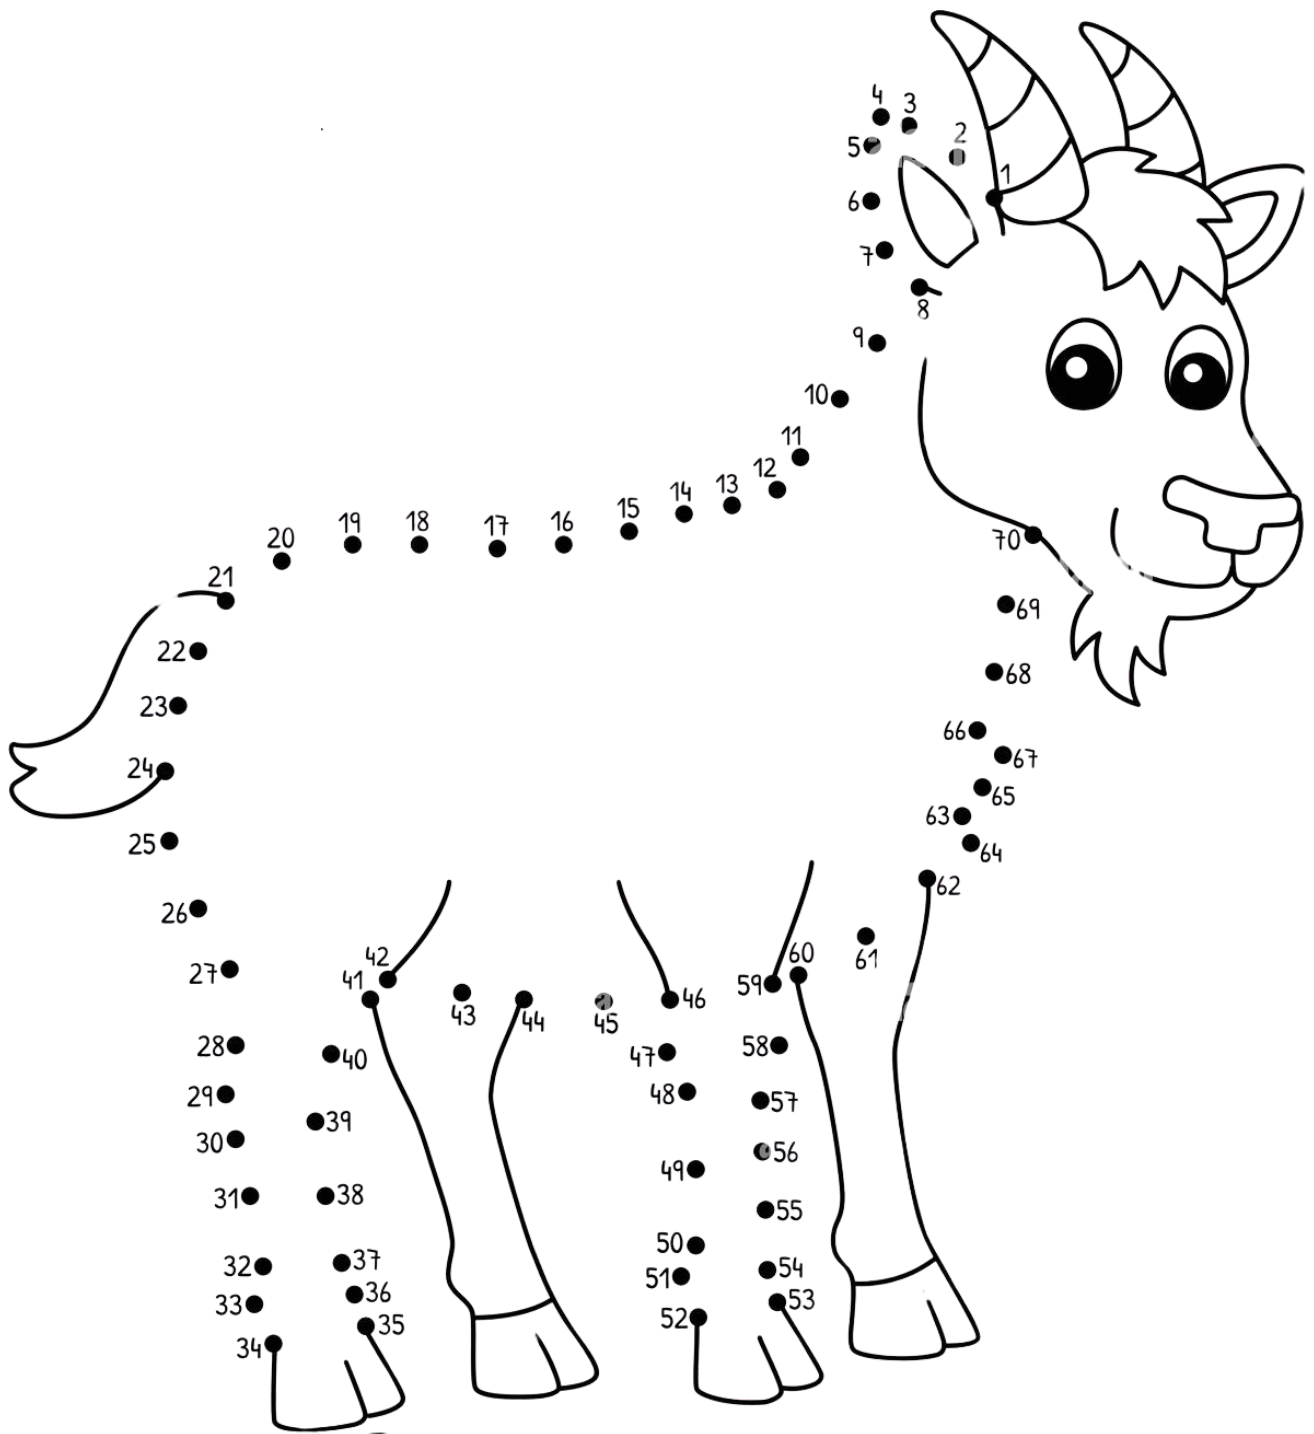

# Find gulerødderne

Hjælp kaninerne gennem labyrinten så de kan få gulerødderne.

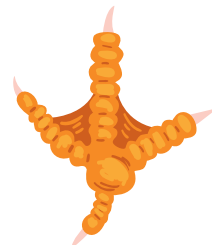

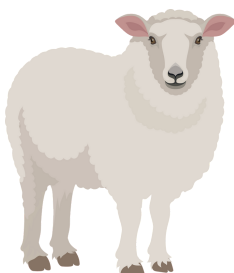

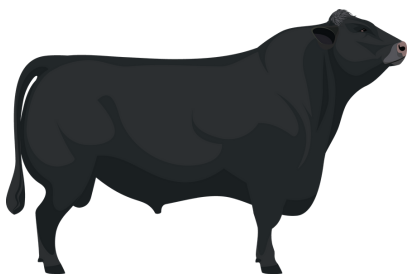

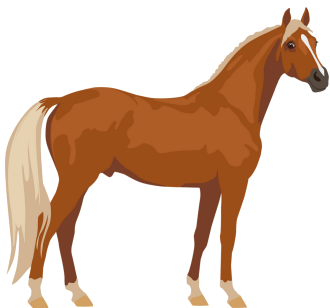

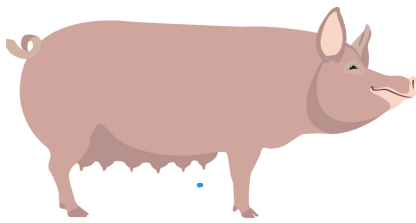

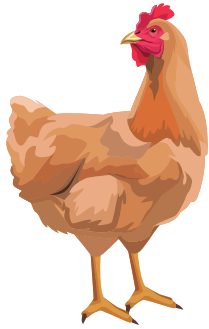

# Tegn efter tal

Tegn gedebukken ved at følge tallene i den rigtige rækkefølge. Farvelæg den derefter i flotte farver.

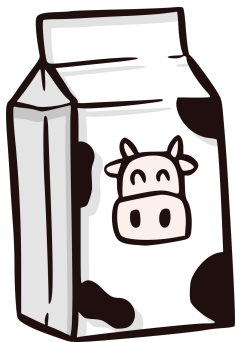

# Zoom ind på dyrets ben

Dyrene på gården har forskellige ben. Hos klovdyr er hovene delt i to og hovdyr er oftest store dyr og gode løbere. Tegn en streg fra benet til det korrekte dyr.

# Kuk i rækkefølgen

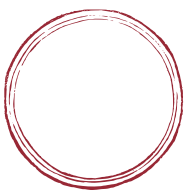

Koen producerer mælk, men hvordan lander mælken i supermarkedet? Skriv tallene 1-4 ved billederne i den rækkefølge det sker.

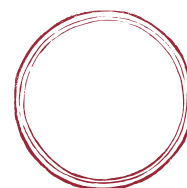

Mælken hældes i kartoner og er klar til at blive solgt i supermarkedet

Mælken hentes i en tankbil og køres til mejeriet

Koen malkes med en robot

# Tæl grøntsagerne

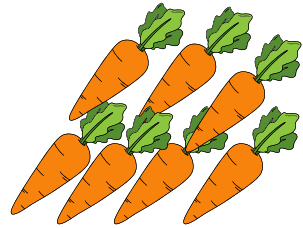

Hjælp grøntsagsavleren med at tælle dagens høst. Tæl hver grøntsag og skriv det rigtige tal.
